Curriculum Vitae

In 1989, she graduated from the University of Palermo's Faculty of Law, under the supervision of Professor Maisano, with a thesis titled "I valori mobiliari" (Securities). In 1993, she obtained her license from the Court House in Palermo to practice law. She is an advocate in the Supreme Court and an expert in Accounting, specializing in Tax Law and Criminal Tax Law.

On October 16, 2019, she graduated again from the University of Palermo, this time in International Relations with a specialization in "International Trade," under the guidance of Professor Antonello Miranda. The title of her thesis was "Digital Citizenship: The Estonia Case."

She is an expert in Tax Law and Economic Law, particularly focusing on Economic and Criminal Tax Law. She has gained considerable experience as a legal business consultant for companies and insurance firms, specializing in Tax Law, Criminal Tax Law, and Data Protection Law.

Academic Positions:

- **University of Palermo, Faculty of Management Engineering:** Since July 2021, she has been teaching "Blockchain Law and Smart Contracts in Economic Systems" and "Cyber Security Awareness."
- **LUMSA University, Institute of International Law, Palermo:** Contract Professor of "Blockchain Law."
- **Parul University, Parul Institute of Law:** Adjunct Professor of Law since June 2021, teaching "Blockchain Law" and "Digital Government."
- **University Cattolica del Sacro Cuore, Milan:** Adjunct Professor in the Master's Course in Tax Law, teaching "Criminal Tax Law," under the Department of Business Economics, since 2016.
- **ESERP, School of Business, University of Madrid:** Contract Professor in the Master's Course in "Business and Management," teaching "International Tax Law and Ethical Manager's Responsibilities" and "E-commerce Law and Business Models."
- **University of Palermo, Faculty of Law, School of Law of Trapani:** Teaching "Business Model and Negotiation Theory."
- **University Cattolica del Sacro Cuore, Milan:** Lecturer of "Customs Criminal Law" in the High Specialization Course in "Customs Law and Excises" since 2016.

- **University of Palermo, Faculty of Law, DEMS Department:** Lecturer in Tax Law and assistant in the courses of “Corporate Tax Law and Customer Regime” and “Strategy and Risk in Tax Law.”
- **Temple University, Rome Campus:** Adjunct Professor teaching “Cyberspace and Society.”

Since 2006, she has served as a legal consultant for the Corporate Criminal Tax Law Department of Roland Italy, a Deutsche company based in Milan, and since 2018, she has been the head of its Legal Quality Control Department.

Each year since 2012, she has participated as a lecturer, teaching in English on behalf of the University of Palermo DEMS, in the International Symposium of Economic Crime at the University of Cambridge.

She is also a lecturer and a convention speaker for the Uncat School, the Association of Lawyers and Chartered Accountants and Accounting Experts of Palermo, the UGRC Association of Chartered Accountants and Accounting Experts of Milan, and for various seminars at the University Statale in Milan, University Statale di Palermo, and the Orders of Lawyers of Palermo, Milan, and Florence.

She is involved in numerous corporate and financial institutions' in-house training programs. She has collaborated with the Faculty of Economics and Commerce at the University of Palermo, focusing on “Criminal Tax Law” and “Commercial and Financial Crimes.”

She is the Chief Director of the “Legal English School of Law” at the Parlavecchio Foundation in Palermo, operated by the Order of Lawyers of Palermo. She specializes in Blockchain Law, Smart Contracts, and Cyber Security Awareness for Enterprises and Digital Government Institutions.

Specializations and Other Roles:

Passionate about AI, she teaches at various institutions for professional education in digital marketing, introduction to machine learning, AI applications, social media resources, and data protection systems. She supports institutions in their digital transformation, focusing on digital education and security measures.

She is a member of the international association Women 4 Cyber, based in Brussels, where she designs courses on Cybersecurity Education.

She is regularly invited by the faculty board to conduct scientific verification of study plans for the Faculty of Law and Economics at LUMSA University, Palermo, and she leads seminars on “Blockchain Law” in the Economic and Law departments of various universities.

She is a guest speaker and expert for talks, sessions, discussions, and webinars at Christ University School of Law and Parul University (India), and New Horizon College of Engineering (India).

She is the President of the Palermo Delegation/Western Sicily of the European Union of Lawyers and a member of its Executive Committee, serving as Chief of the Center for Criminal Tax Law for Sicily.

Since November 2022, she has served as the European Vice President of the Commission on “New Technologies and Data Protection” of the European Union of Lawyers.

She is the Chief of the International Chamber of Italian Lawyers for the District Court of Palermo and a member of the Chamber of Tax Lawyers of Palermo, where she is a senior partner and part of the Criminal Tax Law Studies team.

She is also a partner of the Criminal Chamber of Milan, as well as of the Ambrosoli Studies Center and the Criminal Tax Center in Turin and Florence.

She serves on the scientific committee and is a lecturer in the biennial course of “Specialization in European Union Law” at the University Statale in Milan. She is a member of ANTI, Delegation of Sicily, and part of the Crisis Enterprise team for criminal topics.

She acts as a tax legal advisor for various companies and lawyers in Milan, Florence, and Turin.

Publications:

She has authored numerous articles and two books: “Introduction to Blockchain and Smart Contracts” (July 2022) and “Cybersecurity Awareness” (November 2022).
